## 2 Road Contracts In Glades To Be Let By State Road Dept. On Nov. 15

### 14 Miles Conners Hiway To Get New Surface, SRD Says

The 14 mile stretch of Conners Highway from 20 Mile Bend toward Canal Point will get a new surfacing job, according to information from the State Road Department to County Commissioner Paul Rardin. Bids will be sought on the job on November 15, 1949 at a meeting of the department in Miami.

The official advertisement calling for bids on the job is being run in this issue of The Everglades News. The "Notice to Contractors" says that a "bituminous mineral oil seal" will constitute the new surface. In everyday lingo that means a coating of pea rock and oil which will greatly improve the existing surface of the road which is daily taking a pounding and going to pieces.

Work should start any day on Racoon Point road where the contract was let several days ago to the successful bidder, Reynolds and Smith of Lake Placid, Fla.

Engineers have been busy for several days setting stakes and making all necessary preparations for the job to start. Tree removal will constitute one of the major parts of the more than a quarter of a million dollar contract.

### Plans Complete For C. P. Carnival

The children of Canal Point will be entertained on Monday evening, Oct. 31, at a Halloween carnival and party to be given on the school grounds by the Parent-Teacher Association in cooperation with other civic groups.

The big event of the evening will be the parade of costumes, which starts promptly at 7 p. m. For the awarding of costume prizes the children will be divided into four age groups; preschool, first and second grades, third and fourth grades and fifth and sixth grades. Children judged to be wearing the most typical, the most original and the most comical costumes in each group will receive prizes. All children in the parade must be masked in order to be eligible to receive a prize.

In addition to the parade there will be free entertainment, refreshments and souvenirs for all Canal Point children of preschool and school age. For adults attending, PTA will have a refreshment stand on the school grounds for the sale of homemade pies, cakes, hot dogs, coffee and cold drinks. This stand will open at 6 p. m. under the management of Mrs. Anderson Chaetan.

### Details Unavailable On Pahokee Carnival

The Pahokee PTA will hold a Halloween carnival Saturday night. The general arrangements are under the direction of Mrs. Joel Brown. Mrs. Virginia Cate will be in charge of the parade. Complete details of the evening's entertainment were unavailable to this newspaper, therefore, it is impossible to give more information on the plans.

### Belle Glade Plans For Big Armistice Day Celebration

On November 11 Belle Glade is planning a big Armistice Day celebration. Senator Holland will speak. The Legion is sponsoring a parade in which there will be many marching units and several bands. The line of march is to be west down Avenue A and thence south down Main Street to the Park where the speeches will be given.

Senator Holland and Congressman Dwight Rogers have sent telegrams acknowledging the Legion's invitation to speak at the celebration. Senator Holland accepted unconditionally and is to have the main spot on the program. Dwight Rogers telegraphed that he would attend and speak if his official duties didn't interfere.

After the speeches there will be a barbecue sponsored by the American Legion, which will be held on the grounds of Everglades Post No. 20 a block away from the Park. Three teams and twenty hogs have been procured for this festive occasion and are to be barbecued by Constable Ray Whitlock. Five thousand tickets have been printed for the barbecue. The cost is \$1.00 per plate and the tickets are being distributed for sale throughout the Glades section and along the East Coast.

Many persons will stay and see the football game between Lake Wales and Belle Glade at Memorial Field starting at 8:15 p. m. that night.

The Program of Events is:

7:30 Parade  
8:00 Speeches  
8:15 Football game.

The Legion is working hard to put this thing over and we think it will be a big thing for the Glades. They hope for a big turnout for this occasion.

W. E. Holler of Mount Dora, appointed a member of the State Advertising Commission by Governor Warren shortly after taking office, has resigned giving pressure of private business as his reason. Holler is a retired General Motors executive.

### Chancey Bay South To P B Co. Line Held Up By Flood Plans

The ten mile piece of road from Chancey Bay south to the Palm Beach county line was to have been considered at the Nov. 15th letting by the State Road Department in its Miami meeting. However, on account of proposed plans by the over-all drainage project under the \$208,000,000 plan it was deemed advisable to take this project out of the Nov. 15th letting. This information came to Commissioner Paul Rardin yesterday morning from SRD Member Merrill P. Barber of Vero Beach.

Mr. Barber said the project assured that the ten mile piece of road would be in the not too distant future, or just as soon as drainage plans can be worked out with the engineers.

### Another Drubbing In Store For Blue Devils Tonight

The Pahokee Blue Devils will be hosts to the Fort Pierce Eagles at a Gulf Stream Conference game to be played on Lair Field tonight, starting at 8:15.

The high flying Eagles are expected to give the Blue Devils, who lost their fifth consecutive game to the South Broward Bulldogs, 53 to 0, last Friday night, something to shoot at, to say the least. Bandmaster Robert O. Lampi's Pahokee High School Band, which is constantly improving as the season advances, will entertain on the field during the half-time period—it will be a colorful spectacle.

### 11 New Houses To Be Erected By Hillier

Don Hillier and Sons, Inc., local contractor, announces plans for erecting within the next 90 days 11 new dwellings on Southeast Second and Third Avenues in Pahokee.

The two-bedroom houses will be approximately 33 by 27 feet in size and be located on lots 68 by 135 feet. It is reported they will sell for approximately \$7,000 and are being built under the FHA plan.

### BOYNTON BANK ROBBED

The Boynton Beach State Bank was held up and robbed of \$7,000 in cash at 2 o'clock Wednesday afternoon. The robber entered the bank under the name by saying that he wanted to borrow some money. He asked the teller to open the door just after it had been closed at closing time.

### Mackey Employs A New Man For Office

Robert Mackey of Mackey Produce Company announces employment of a new man in his office in the bookkeeping department—John King of Westpoint, Ga. Parnell Enecks will remain as Mr. Mackey's assistant and head of the bookkeeping department. Hugo Roe will be with Mackey concern another season as platform foreman.

### Entertainment Is Scheduled Belle Glade Carnival

The Belle Glade Parent Teachers Association will sponsor a Halloween Carnival on Halloween night, Monday, October 31 on Memorial Field in Belle Glade. The fun will begin at 7 p. m. with a costume parade made up of children from pre-school thru high school and being led by the school band.

The Halloween Committee, made up of Mrs. A. E. Kirchman, chairman, Mrs. Harold Rabin, Mrs. W. R. Dickenson, Joe Freidheim, Mrs. Ralph Freeman, and Frank Hudson, have announced that there will be food booths open before the parade, as well as the rest of the evening, so that the whole family may eat dinner there is no desire. The Beta Sigma Phi sorority will operate a Tea Room, and there will be stands for hot dogs, cold drinks, pop corn, gingerbread boys, fudge, candied apples, and numerous other fine edibles. The American Legion, Elks Club, Lions, and Rotarians will sponsor booths, as will the BPW and several of the grades at school.

The parade will be directed by Mrs. E. M. Lively, D. G. Herrington will handle the pony rides, best loved by the children, and L. P. Parson will be in charge of the booth construction.

### Supt. Watkins Talks To Canal Point Lions

Howell Watkins of West Palm Beach, superintendent of Palm Beach County Schools, was guest speaker at the dinner meeting of the Canal Point Lions Club Monday. Introduced by Rev. Earl J. Jones, president, Mr. Watkins gave an interesting talk on the progress being made in raising the standard of education within the County school system and listed some of the goals for the future.

The club voted a cash donation to assist PTA in the financing of the Halloween party for Canal Point children, to be held on the school grounds on the evening of Oct. 31.

### South Bay-Hendry Co. Line Road Will Get Re-Tread Job

State Road Department Member Merrill P. Barber of Vero Beach yesterday morning told County Commissioner Paul Rardin that bids for re-treading the road from South Bay to the Hendry County Line will be received at the Miami meeting of the SRD on November 15. The road is a part of Federal highway 27 which runs through Tallahassee south and ends in Miami.

Reconstruction of the road will be on the present roadbed. Paving will be at width of 22 feet over the 12½ mile stretch from the Hendry county line to South Bay in Palm Beach county.

Paving will be of the "hot plant mix" style, a heavy duty surfacing. Estimated cost of the job is \$200,000. Barber said that the road will be let on an emergency basis and that construction must be started at once. The stretch of road is not in the budget for this year.

Mr. Barber announced to the press that decision to re-tread the road was made after a conference with State Representative B. Elliott and County Commissioner Paul Rardin.

### Chest Future Will Be Decided Monday

Next Monday night, October 31, a meeting will be held at 8:00 p. m. at the Pahokee High School to determine and decide whether to abandon or continue the Pahokee-Canal Point Community Chest.

The chest was organized in March 1946 by a group of local citizens to eliminate the continuous round of "drives" for charitable funds.

Instead of nine major drives and numbers of small ones to cover individual cases of need, one drive is made each year.

The recipients this year were: Pahokee High School Band, Salvation Army, Boy Scouts, Canal Point School Lunches, Pahokee School Lunches, Dental Clinic, Girl Scouts, and Crippled Children's Fund.

The response this past year has been such that the directors are considering the possibility of discontinuing the local drive due to lack of interest. Everyone interested is invited to attend so that a decision may be reached.

Florida editors and publishers will be given a first hand view of Florida's "black gold" field, when they are guests of the Humble Oil Company during their annual convention at Naples, Collier County, next November.

## News Notes From State Capital

**TALLAHASSEE**—The final draft of regulations for enforcement of the new sales tax are being sent this week to the subcommittees of Comptroller C. M. Gay, to ready the public to start paying the tax November 1. In one of the final decisions, the comptroller's office ruled that shampoo is a soap—and thus exempt. Most of the other decisions have been published. Group purchases will be counted as a single sale, as where three or four eat together. Rentals apply only to buildings under jurisdiction of the state hotel commission, for transients living there less than six months. The branch offices set up by the comptroller will be to supply information and help merchants with their collection problems. The actual tax will be sent direct by the merchant or innkeeper to the comptroller.

**TALLAHASSEE**—The state resumed hearings this week on the application for a 22-per cent rate boost by Peninsular Telephone company, second largest system in Florida. Chairman Wilbur C. King of the Florida Railroad and Public Utilities Commission, conducting the hearings in Tampa, said they had been recessed some months ago because the telephone company was not able at that time to produce complete earning records demanded by the commission. The application of the company is for a general upward revision of its entire rate structure. In addition, the hearing involves fixing of rates for the newly established exchange at Ruskin. Chairman King said he does not know how long

it will take to complete taking testimony.

**TALLAHASSEE**—October first is not an arbitrary deadline for the expiration of all liquor licenses, according to Attorney General Richard W. Ervin. It is within the discretion of the state beverage director to renew liquor licenses within a reasonable time after October 1, when new liquor licenses are renewable through the offices of the county tax collectors. This last legislature took approval of liquor licenses out of the hands of county commissioners, lodged final authority in the state beverage director. In another opinion, to Circuit Court Clerk Jess Mathas at Deland, Attorney General Ervin said that exemption from taxes of labor unions real estate used for meeting places does not start until 1950.

**TALLAHASSEE**—State School Superintendent Tom Bailey reported that an average of 120,243 school children got to classes by bus in the past year. It took 1,700 buses to do this handling, covering 15,000,000 miles. Buses of Polk County travel an average of 4,492 miles daily, those of Monroe county (Key West) only 228 miles. Nearly half of the school bus travel is over dirt roads, something the new shift of gas tax to county road building is expected to correct. The new bus figures reveals clearly that the days of the little one-room school are almost gone.

**TALLAHASSEE**—This capital was saddened by the news of the

death of D. Graham Copeland of Everglades, state legislator and for more than a quarter of a century an outspoken champion of the Everglades. He helped build up the southwest coast into the Collier empire. He died of a heart attack in New Orleans, where he and his family were staying.

**TALLAHASSEE**—The State board of control has three new members: Frank M. Harris, St. Petersburg attorney; Eli H. Fink, Jacksonville attorney; George J. White, Sr., Mount Dora banker. Harris is the new chairman, succeeding J. Tom Gurney of Orlando. Governor Warren has indicated he may appoint a woman to fill the vacancy that may be created in June 1951, when the terms of N. B. Jordan of Quincy and Hollis Rinehart of Coral Gables expire. The board of control has charge of the state universities and college, and of other lesser institutions.

**TALLAHASSEE**—State Hotel Commissioner James T. London has jumped into the Dade county fight against "turkey money" with both feet and all available deputies. He advised the hotel association of both Miami and Miami Beach that he will enforce all hotel regulations strictly against the payment of money by hotels to taxis for bringing in patrons. The Florida Railroad and Public Utilities Commission already had started the campaign against "turkey money" payments by its supervision of taxis.

**TALLAHASSEE**—The proceeds of the per box tax on citrus fruit may be used to pay attorneys to defend the citrus commission and commission of agriculture against suits attacking the new citrus code. Attorney General Richard W. Ervin ruled that there is nothing in existing law to prevent the commission and commissioner from using the tax of three cents a box on grapefruit, two cents on oranges, five cents on tangerines and four cents on limes to defend court attacks on the "state test" citrus code passed by the 1949 legislature under the prodding of Governor Warren.

## State Chamber To Have Annual Meet

**GAINESVILLE**—Selden F. Waldo, program chairman of the 33rd annual meeting of the Florida State Chamber of Commerce, scheduled to be held in Jacksonville, Nov. 13-15, has announced the names of 13 featured speakers on the program, including the following: George B. Hills, Jacksonville; Marvin H. Walker, Lake Wales; Governor Filer Warren; John D. Montgomery, Miami Beach; John D. Pennekamp, Miami; Dr. Ralph A. Morgan, Gainesville; Dr. Wilson T. Sowder, Jacksonville; State Comptroller Carence M. Gay; Ralph J. Blank, West Palm Beach; Col. Richard W. Pearson, U. S. Army Engineer Corps; Dr. Charles T. Taylor, Atlanta; William D. Wawley, Miami, former U. S. Ambassador to Brazil; and Leo M. Cherne, New York City. Other distinguished business leaders will be asked to help fully develop the theme of the conference, "The Clocking of Florida's Tomorrow," according to Waldo. Co-workers with Waldo on the program committee are Withrop Bancroft, Jacksonville; John A. Sheffield, West Palm Beach; Henry N. Camp, Ocala; Frank L. Holland, Winter Haven; Abe Allenberg, Miami Beach; and Dan McCarty, Fort Pierce.

## CHRISTMAS GIFT BOXES TO VETERANS' HOSPITALS

Those wishing to send Christmas gifts to the boys in Veterans' Hospitals this year should turn their gift of not less than \$1.00 and unbreakable articles over to the Auxiliary to be mailed by Nov. 28. These gifts go to Pratt General, Bay Pines and Lake City Hospitals.

Mrs. E. J. Graham and Mrs. Duncan Padgett were visitors in Miami Tuesday.

## World Day Of Prayer Observed In Pahokee

World Day of Prayer was observed at the Pahokee First Methodist Church, Tuesday afternoon from 4 to 5 o'clock with a special candlelight service presented under the direction of Mrs. M. P. Holman.

Mrs. John A. Dulany, WSCS president, opened the service with prayer. Mrs. R. W. Sanders sang "The Lord's Prayer." Devotional messages were given by Mrs. R. F. Hurt, Mrs. Earl M. Meredith, Mrs. Lloyd Hundley and Mrs. I. M. Lair. The speakers were introduced by Mrs. D. W. Cunningham. Rev. Ralph W. Todd led the group in a closing prayer. Floral decorations for the special service were arranged by Mrs. John T. Pickett.

## Corinne Collins Has A Birthday Party

Mrs. L. M. Collins entertained with a dinner party at her home Saturday, honoring her daughter, Corinne, on her eleventh birthday anniversary.

The hostesses used the Halloween motif in decorations and Halloween games were enjoyed by the following guests: Gaye Schoepel, Kay Friend, Jeannine Mock, Annette McIntosh, Carol Ann Mullis, Betty Holt, Betty Echols, Joyce Mills, Lynnette Hammond, Sandra Long, David Cunningham, Gordon Chase, Nealy Johnson, James Stamps and Pat Elliott.

## 4-H Club Girls In Regular Meeting

The Canal Point 4-H club girls met Wednesday, Oct. 26 at the Canal Point School at 9:45 with Mrs. C. L. Stuart local leader and Mrs. Mildred J. Michaud, Assistant Home Demonstration Agent. The meeting was called to order by saying the 4-H pledge and singing of songs. The secretary called the roll and there were 14 present. Mrs. Michaud gave a demonstration on treating garden and flower seeds. The president named two girls from the 5th and 6th grades to make 4-H posture posters for National 4-H week Nov. 5-13.

## Phoebe Ann Ramey Has Birthday Party

Phoebe Ann Ramey celebrated her birthday anniversary at a surprise dinner party given by her mother, Mrs. George Ramey, at their home Monday evening.

The table was centered with a large jack-o'-lantern and small lighted jack-o'-lanterns were placed at each plate as party favors. Croton leaves were used to complete the Halloween motif in decorations. Following the serving of a chicken dinner Phoebe Ann and her guests enjoyed the show at the Prince Theatre.

Those attending were Myrna Herndon, Annette McIntosh, Joyce Hurt, Marcia Jean Guthrie, Joyce Lindsay and Phoebe Ann.

**What  
is it worth  
to You...**

## WHEN YOU WANT TO:

Run an errand downtown  
Call a doctor  
Chat with friends  
Reach someone in a hurry

The true value of your telephone can be measured only in the many different ways it serves you—in the convenience and pleasure it adds to daily life.

Your telephone service is increasing in value day by day as the number of friends and relatives you can call from growing larger and service becomes more efficient.

Yet the cost is low. Low in comparison to most other things you buy. Low in comparison to our costs of supplying service. Your telephone is at your service twenty-four hours every day—for only a few cents a day.

When you stop to think how much it does for you, at the price you pay, telephone service stands out as one of today's biggest bargains.

Now They're Sitting Pretty

Squint Miller, who's working as a telephone lineman, was telling me about some birds that got into a fight with his company.

Seems a couple of woodpeckers set up housekeeping in a telephone pole. Nobody minded them living there, but they kept pecking at the wires—causing one short circuit after another.

Finally, the telephone people—who had nothing personal against the birds—just stopped up the hole where they lived. But they kept coming back. At last, the company

donated that pole to the woodpecker and set up a brand-new one for their own.

From where I sit, we'd all be better off if we were tolerant with our own woodpeckers. Let's consider the other fellow's point of view—whether it's his right to live where he wants, or to enjoy a friendly glass of temperate beer or ale when and if he pleases.

## Many Exemptions In New Sales Tax

TALLAHASSEE — Everyone is interested in how general is the new Florida sales tax that goes into effect on November 1. Governor Warren and legislative sponsors of the measure insist it is a "limited" sales tax because there are so many exemptions.

These exemptions cover more than three printed pages of the law book. They include both tax-free items and exempt purchases. Governmental agencies—city, county, state and federal bureaus do not have to pay tax on any of their purchases.

Neither do educational, religious

and charitable organizations. However, private schools, churches and charitable organizations must get a certificate of exemption from Comptroller C. M. Gay. The man who sells to them must put down the certificate number when he makes the sale or stand responsible for the tax.

Public schools and other agencies will not have to get exemption certificates. Now what products are tax free? You will not have to pay the sales tax on:

Any purchase of eight cents or less.

Any item of clothing priced at \$10 or less, or any piece of yard goods used to make clothing if it costs \$10 or less.

Any amusement admission of 40 cents or less.

Any food for human consumption in a store. If you buy it at a restaurant or over a counter ready to eat it is a taxable meal. Lunches served in school lunchrooms will not be taxed, however.

Automobile purchases (because the constitution prohibits a tax on them. Tires and the like are taxable if bought separately.

Newspapers, school books and religious publications.

Any machinery or equipment used for plowing, planting, cultivating and harvesting crops.

Any motor propelled agricultural equipment.

Any prescription drugs, and patent medicines on a long list certified by the State Board of Health as home remedies.

Fuels of all description, including gasoline (which is taxed separately), fuel oil, coal, coke, kerosene, cordwood, diesel oil and lubricating oil, bottled gas.

Soap and all other detergents.

Cigarettes and alcoholic beverages, which are taxed separately.

Plain water, ice, electric power and gas.

Artificial limbs, eyes, crutches, eye glasses, dentures, hearing devices, prosthetic devices and orthopedic appliances.

Ships, nets and other equipment used directly in and by licensed commercial fisheries and fishermen.

Feeds, fertilizers, insecticides, fungicides and containers used for processing farm products and livestock bought for farm use.

Field and garden seeds.

Caskets that cost less than \$500.

Industrial equipment used for mining, processing and manufacturing is taxed when purchased, but the tax on not item may exceed \$100.

## A Few Rules About The New Sales Tax

TALLAHASSEE — Transient lodging rentals aren't the only rents subject to Florida's new sales and use tax.

The three percent levy which becomes effective next Tuesday also applies to rental of any tangible personal property.

The law defines "tangible personal property" in broad enough terms to tax the rental of any personal property "which may be seen, weighed, measured, felt or touched, or is in any other manner perceptible to the senses."

That does not include such real property as houses and lots, nor intangibles like stocks, bonds, notes, insurance or other obligations.

It does get the rental of a dress suit, diapers from a linen supply house, the boat you take for the day to go fishing, the car you hire out to drive your self, the power mower you bring home to mow the lawn, or the sewing machine your wife rents to make a dress.

It taxes rental of business machines and other equipment which the manufacturers will lease to you but not sell — the parimutuel machines which calculate the odds at race tracks, for instance.

It is the renter who pays the tax, at the rate of three percent of the amount of rent.

Most of the exemptions that apply to sales do not apply to rental of the same items.

Take clothing, for instance. Purchases of clothing items priced at \$10 or less are exempt.

Rental of clothing, regardless of its value or price, is taxable.

Diapers are clothing and their sale at \$10 or less is tax free. But if you rent them from a diaper service, you pay the tax on the rent.

Barbers, waiters, beauticians and others who rent their towels, aprons, jackets and uniforms from a linen supply service must pay the tax on the rent.

If the owner of a coin-operated photograph or pinball machine installs it in your place of business without selling it to you, the tax must be paid on the amount of money he takes out of it. If you buy it from him, the sale price is taxable.

The lodging tax is levied only against quarters occupied in hotels, rooming houses, apartments, motor courts and trailer camps for less than six months.

This is the best rule of thumb for determining what lodging is taxable:

If the quarters you occupy are in an establishment which has a license from the State Hotel Commission, your rent is taxable. That takes in all hotel and rooming house facilities and apartments with more than two units. It doesn't include single family dwellings and duplex apartments.

If you have lived in your present room for six months when the tax becomes effective Nov. 1, send Comptroller C. M. Gay a sworn statement to that effect and you won't have to pay the tax.

In the future, whenever you have lived 180 consecutive days in the place sold in the sworn statement and you will get a refund of the tax you have paid during that period.

## Flood Contracts To Start In December

JACKSONVILLE — A December starting date was announced Wednesday for first construction in the \$208,000,000 Central and South Florida flood control project.

Col. R. W. Pearson, Army district engineer, said bids will be opened Nov. 22, and the work will begin in December.

The first levee will be built in Broward county, Pearson said. It will start at State Road 84, 15 miles west of Fort Lauderdale, and run northeast to join the levee along the U-1 range line at a point about five miles north of Road 84.

## Personal

Mr. and Mrs. Lynn Elarbee of Fort Lauderdale are visiting her parents, Mr. and Mrs. G. W. Byrd, Sr., in Pahokee this week.

Howard Holman left Monday for Belmont, N. C., to bring back his wife and baby who have been visiting relatives there for the past two weeks.

Mr. and Mrs. M. P. Holman had as guests over the weekend Mr. and Mrs. Douglas Porch and daughter of New Smyrna Beach.

The executive board of the Pahokee First Methodist Woman's Society of Christian Service will meet at the home of Mrs. Ruth Meredith Monday afternoon, Oct. 31, with Mrs. John A. Dulany, WSCS president, presiding.

Mrs. Taltion-Joyce of Vero Beach is visiting her mother-in-law, Mrs. Maxine Joyce, and sister-in-law, Mrs. W. H. Rogers, and family in Pahokee this week.

John E. Cochran, Sr., who was injured recently in a fall at Sadie's Flower Shop, was able to leave the Pahokee Hospital this week and is now at the home of his daughter, Mrs. Rupert Mook.

The Canal Point Methodist Woman's Society of Christian Service will conduct its November meeting afternoon, Nov. 1, with the president, Mrs. Dorothy Buchanan, presiding.

## Can't Increase Phone Rate On What They Plan To Spend

TAMPA — The Peninsular Telephone Co. was warned Tuesday it should not expect to base its proposed rate increase on the cost of facilities planned but not yet built.

The warning struck at the basis for all the company's figuring in asking the State Railroad and Public Utilities Commission for a boost averaging about 22 percent to subscribers.

Peninsular stuck to its guns even in the face of a reminder that the commission had ruled against that stand in the recent Southern Bell Telephone Co. case.

Referring to the Southern Bell decision, Lewis Petteway, commission counsel, said the commission "is authorized only to grant an increase on property in use and useful."

A gigantic Children's Gasparilla Parade in which between six and seven thousand Tampa youngsters will participate will be a featured attraction in connection with the 1950 Florida State Fair in Tampa. It will occur on Wednesday afternoon, Feb. 8, with ceremonies in front of the grandstand beginning at 1:30 p. m.

## Young Ramey Tells Lions About FFA Trip

David Ramey, student member of the Pahokee Lions Club, who represented the Pahokee Chapter, Future Farmers of America, as official delegate to the recent FFA National Convention in Kansas City, was speaker at the club's Tuesday luncheon meeting. Egged on by Duncan Padgett and speaking extemporaneously, young Ramey told of the activities at the convention and gave an interesting account of his trip through the famous Kansas City meat packing houses where he saw the processing of beef step by step until it finally becomes "ham" ready for the roaster, grill, or what have you.

The club voted a \$50 cash donation to the fund being raised by civic groups for the financing of the Halloween party for children to be held on the school grounds Saturday night.

## Moore Haven Man Named To CSFFC Dis.

## Coast Line Plans 2-Day Glades Tour

A two-day tour of the Glades' agricultural muck area between Moore Haven and south of Belle Glade is being planned for Nov. 15-16 by the Atlantic Coast Line Railroad and Glades organizations, according to V. W. Lewis, ACL manager of agricultural and livestock development.

Cooperating in the tour are the Chambers of Commerce of Clewiston, Belle Glade, the Lake Harbor Civic Club, county agricultural agents, teachers of vocation agriculture and other groups, he said.

Anyone interested in studying the present and prospective development in the Glades, particularly the area from Moore Haven to Belle Glade and several miles to the south, is invited to meet the group at the Clewiston Inn, Clewiston, at 10 a. m. Nov. 15, Mr. Lewis said.

The schedule for the first day of the tour will include visits to the sugar fields, the US Sugar Corp. mill, ranches, dairy farms, and the new milk plant of Land O'Sun Dairies in Moore Haven.

Starting at 8:45 the next morning the group will visit the US Government flood control gate on the east side of the Clewiston Industrial Canal and tour along the government levee to Lake Harbor. There the party will visit the vegetable pre cooler.

The trip will end with a tour through the farming area between Lake Harbor and Okeelanta and a visit to the Everglades Experiment Station at Belle Glade.

## Methodist Pastor Is Speaker Before BPWC

Rev. Ralph W. Todd, pastor of the Pahokee First Methodist Church, who spent considerable time in the Near East as Navy chaplain during World War II, gave a talk on "The Political Situation in Palestine during World War II" at a meeting of the Everglades Business and Professional Woman's Club at the home of Mrs. J. R. York Tuesday night.

The guest speaker was introduced by Mrs. Cleo Douthit, international relations committee chairman, who was in charge of the program.

It was announced that the Pahokee and Belle Glade BAPW Clubs will conduct a joint social meeting in the Pahokee Woman's Club building on the night of Nov. 22. The next business meeting of the Pahokee Club will be held at the home of the president, Mrs. Fay Abbing, on Nov. 1.

Introduced as guests were Miss Beatrice McLendon, Miss Ruth Evans, Miss Winifred Clove, Miss Julia Beckman and Mrs. Elsie Sims.

## Chewing Gum Will Stop The Toothache

PALM SPRINGS, Calif. — Within a month you'll be able to buy chewing gum that will stop or reduce tooth decay.

This revelation comes from Dr. Robert G. Kessel professor of dentistry at the University of Illinois and pioneer in the development of ammoniated dentures.

He lectured before 200 fellow dentists at the sixth annual dental medicine seminar at this desert resort.

The new chewing gum, he explained, will contain dibasic ammonium phosphate and urea—the bacteria killing ingredients found in many tooth pastes and powders now on the market.

"It was surprising that a gum which met preliminary clinical tests was developed so soon," Dr. Kessel said, adding:

"Finding a palatable substitute for the good tasting but acid producing sugar in ordinary chewing gum was a very real obstacle."

He said the new gum has already passed preliminary trials directed by University of Illinois scientists and has been tried on a limited number of patients.

Dr. Kessel and his associates at Illinois were among the first to conduct clinical studies showing the important role sugar loving bacteria and mouth acids play in causing cavities.

## OES Chapter Join In Feet To Honor Matron

The Pahokee and Belle Glade Chapters of the Order of Eastern Stars met jointly Thursday night of last week to honor Mrs. Florence Carter of Bagdad, Fla., worthy grand matron of the Florida OES Grand Chapter.

The joint meeting got under way in the Masonic Hall in Pahokee where a potluck supper was enjoyed. Later at the Belle Glade high school auditorium the Pahokee chapter performed opening and closing exercises and the Belle Glade Chapter was in charge of the initiatory work, conferring the degree of the order on Mrs. Eddie Shoepel. A brief talk on "Loyalty" was given by Mrs. Carter. Mrs. Iva Snyder was in charge of the registration for Pahokee and Mrs. Ivan Van Horn, for Belle Glade.

## Lewis Pope Takes Part In Growing Contest

Lewis Pope, son of Mr. and Mrs. E. L. Pope of Pahokee, will represent Palm Beach County in the ninth annual \$2,000 production-marketing contest of the National Junior Vegetable Growers Association, according to Chesley Hines, extension horticulturist at Mississippi State College, NJVGA adult leader in the Southern States.

Young Pope is seeking the nation's junior vegetable growing championship and a share of the cash awards and scholarships provided by A&P Food Stores.

World Day of Prayer was observed at the Canal Point Methodist Church on Tuesday from 10 a. m. to 3 p. m. with a sacrificial meal at noon. Mrs. F. M. Wilson was in charge of program arrangements.

## Mrs. Hurt Presents Program To Circle

Mrs. R. F. Hurt presented a program on "The Bible, A Living Book," at a meeting of the Simonson Lair Circle, First Methodist WSCS, at the home of Mrs. G. W. Byrd, Sr., Monday afternoon, with Mrs. Ronald Watson assisting as co-hostess and Mrs. Earl M. Meredith, chairman, presiding at the business. Talks on the topic were given by Mrs. Arch Blakey and Mrs. M. P. Holman.

Named on the greeting committee for the church through November were Mrs. J. R. York and Mrs. Nola Smith, first Sunday; Mrs. M. P. Holman and Mrs. W. H. Lair, second Sunday; Mrs. W. A. Howell and Mrs. Arch Blakey, third Sunday; Mrs. O. B. McClure and Mrs. Emma Wheeler, fourth Sunday.

Mrs. T. H. Abbey, who was celebrating her 77th birthday anniversary, was honored at the meeting and presented with a gift. The group adopted the "traveling basket" plan for raising funds. Members were reminded to continue sending greeting cards to Uncle Tom Campbell who is at Shirley's Nursing Home in Lake Worth.

Mrs. Blakey announced the WSCS fall mission study of "Japan Begins Again" will start on Nov. 14 with Mrs. L. J. Fraser in charge of the first class. Mrs. Al Martin was a visitor.

Mrs. J. P. Herring is visiting her mother, Mrs. A. E. Cobb, in Graceville, Fla., and other relatives in Headland, Ala., this week.

## Artist Explains The "Painting Technique"

James Miller, artist, explained the "Technique of Painting" in a talk at a program meeting of the Pahokee Woman's Club in the clubhouse Tuesday night. The guest speaker, who attended the School of Art in Grand Rapids, Mich., illustrated his talk with some of his own paintings which he had on display at the meeting. He is the son of Mr. and Mrs. Herbert Miller, members of the Pahokee High School faculty. Mrs. Clyde Alley, fine arts chairman, and Mrs. Parnell Enecks, American Homes chairman, and members of their committees were in charge of the program and entertainment.

Following the program refreshments of ice cream and cake were served. The Halloween motif was carried out in clubhouse decorations. Mrs. W. H. Jones, Jr., president, presided.

## Cattle Breeding Plans Made By Association

Organization of a county artificial insemination program was approved Tuesday during a meeting of dairy cattle owners at the office of local Production and Marketing Administrator J. W. Strickland.

County Agent M. U. Mounts said the group will meet again here next Tuesday to elect officers.

Mr. Mounts said dairy cattle owners have expressed need for an advanced program of cattle breeding to meet possible future competition from outside the county.

Neil Manley, of the Southeastern Artificial Breeding Assn., and C. W. Reeves, State Extension dairyman, led the discussion during the meeting.

## Elliott's Return To Their Pahokee Home

Rep. B. Elliott motored to Tallahassee last weekend to bring home Mrs. Elliott and children who have been residing there since the start of the recent special session of the State Legislature and the children have been attending schools in that city. Elmer B. finished a six weeks' course in art at the Delsie Art Center and Patsey has been taking a special course in voice at the university. Before returning the Elliott family attended the homecoming at the University of Florida and the children are now enrolled in the Pahokee schools.

Mr. and Mrs. Ronald Watson have as a guest this week their daughter, Mrs. Al Martin of Fort Valley, Ga.

## Christian Science Society

### CHURCH OF CHRIST, SCIENTIST

"EVERLASTING PUNISHMENT" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, October 30.

The Golden Text is: "The Lord is far from the wicked: but he heareth the prayer of the righteous" Prov. 15:29).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death" (Rom. 8:1, 2).  
The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Rise in the conscious strength of the spirit of Truth to overthrow the plea of mortal mind, alias matter, arrayed against the supremacy of Spirit. Blot out the images of mortal thought and its beliefs in sickness and sin. Then, when thou art delivered, to the judgement of Truth, Christ, the judge will say, 'Thou art whole!'" (390:32.)

### COURSE ENDS

A five-day training course for officers and teachers of the Pahokee First Baptist Sunday school will end this Friday evening. Five State workers in Sunday school development have been teaching classes for every department of the school each night from 7:30 to 9:15.

Hugh Watson, who is stationed at the Naval Base in San Diego, Calif., is spending a 10-day leave from the navy with his parents, Mr. and Mrs. Ronald Watson.

## Benefit Supper By Legion Auxiliary

Plans were made at the business meeting of the Canal Point Legion Auxiliary, Tuesday night, Oct. 25, 1949, to sponsor a benefit supper in the month of November. Mrs. Evelyn Dannelly, President, was in charge of the meeting. In the temporary absence of Mrs. Cletis Hand, Mrs. Colleen Pope was appointed to act as Publicity chairman.

Reports were given by Mrs. Ruth Enfinger on "Child Welfare", Mrs. Leonard Maxson, "Membership", Mrs. Hulda Wilson, "Community Service."

The Auxiliary will be in charge of decorating Booths at the Halloween Carnival Monday night.

At the close of the meeting refreshments were served by Mrs. Evelyn Dannelly and Mrs. Hall.

## Allen Pope Has 5th Birthday Party

Mrs. E. L. Pope entertained at her home Saturday with a party for her son, Allen, who was celebrating his fifth birthday anniversary. The hostesses used the Halloween motif in decorations and party favors. She was assisted with the entertaining by her mother, Mrs. J. V. Chastain, and by Mrs. David Bleech.

Virlyn Jones was awarded a contest prize. Others attending were Vicki Alley, Sally Holt, Margie Kahn, Leslie Ippock, Quinn Atkinson, Katie Chamberlin, Yvonne Thompson, Rebecca Grimes, Tommy and Tina Handley, Joe and Diana Graham, Alvin Johnson, Willie Adams, Paula Collier, Michael DiBartholomew, Sharon Bacon, Roger Hatton, John Lloyd Hundley, Jimmy Batchelor, Jimmy Vandergift, Elizabeth Maya and Peggy Turner.

## Cabinet Refuses To Cabinet Refuse To

TALLAHASSEE—The Cabinet Tuesday declined to act on a recommendation to promote Sgt. Tony Masada of the Florida Highway Patrol to the rank of lieutenant.

Masada for years has been assigned as driver for the chairman of the State Road Dept. His promotion was recommended by Attorney General Richard Ervin who said he should have the same rank as the patrolman assigned to the Governor.

A. D. Cossom, the Governor's driver, recently was promoted from sergeant to lieutenant and given the title of "aide to the Governor."

Mrs. J. B. Elliott is spending two weeks with her sons-in-law and daughters, Mr. and Mrs. W. Harper Kendrick, in Bartow and Mr. and Mrs. Cohen Blakey in Orlando. She accompanied her daughter-in-law, Mrs. B. Elliott, to Bartow on Wednesday.

## WONDERFUL STRUCTURE

WINTER HAVEN — The new Citrus Inspection building nearing completion on the Florida Citrus Exposition grounds was termed "a wonderful structure, one of the outstanding buildings in the state," by Commissioner of Agriculture Nathan Mayo on an official visit here last week.

Mayo inspected the new structure which will house state and federal citrus inspection departments and other U. S. D. A. citrus food agencies and envisioned it as "the start of something the extent of which few here may realize."

Through an error on the part of the Sergeant-at-Arms of the United States Senate Florida's senior Senator Claude Pepper was listed as a Republican. His office reports that it doesn't know who is the most irritated by the mistake, the Senator or the Republicans.

Mr. and Mrs. Thomas Baldwin had as guests over the weekend his brother and sister-in-law, Mr. and Mrs. James Baldwin and son, Tommy, of Miami.

## RECENT OPERATIONS

By Paul Rardin

The Pahokee-Canal Point Community Chest is on its last legs. In fact it is about to enter the same land with the dodo bird. Public spirited men and women who have worked to keep it intact have just about made up their minds that it isn't worth the effort—because the cooperation necessary to put it over isn't forthcoming. The Chest was established to do away with eight or ten individual drives during the course of a year's time. A donor, who had been giving \$10 to each of the eight or ten drives, gave a lump sum of say \$75 or \$100 and wasn't bothered for a year.

But, as the years rolled by the donor "got wise" and instead of continuing to give \$75 or \$100 kept cutting his donation until this year he was giving to the Chest \$10 or the same amount that he gave to one individual drive before the Chest as set up. And, on such a plan the Chest cannot survive.

Workers, who go around for pledges and checks, have been on the receiving end of too much abuse about what is done with the money. There are dozens of business men and women in Pahokee and Canal Point who wouldn't give one minute's time to help in getting pledges or cash for the Chest. But, some of these very same men and women are the very first to do a lot of yapping about how the money is spent. The next time you hear one of them yow-yowing, ask him how much time he spent in gathering in pledges and cash for the Chest. Don't embarrass him by asking how much he gave.

A meeting has been called by officials of the Chest to decide what to do. My suggestion is that they wind up their little ball of yarn and let somebody else carry the ball for a while.

## Funeral Services For Archie Harris

Funeral services for Archie Boderick Harris, 35, Belle Glade attorney, who was killed in a car accident early Saturday morning, were held at the Community Methodist Church in Belle Glade Tuesday at 10:30 a. m., with Rev. Leonard Vanderwater officiating.

Mr. Harris, widely known throughout the Glades area, was returning to his home in Belle Glade around 2:30 a. m. Saturday when his car crashed into the trees bordering Road 15 five miles south of Pahokee.

A graduate of the University of Florida Law School, he practiced law in Pahokee until five years ago when he moved to Belle Glade. He also served for a number of years as town attorney for South Bay.

Surviving are his wife, Mrs. Elizabeth Dwyer Harris, two sons, Michael Archie Harris, 9, and Lawrence David Harris, 5; a daughter, Eleanor Elizabeth Harris, 2½ years; his parents, Dr. and Mrs. D. W. Harris, Belle Glade, and a brother, David Harris Washington Palibearers were George Mead, L. G. Alderman, Don Hillier, Thad Whidden, Gay Hopkins and Frank Hobson.

Burial was at the Hillcrest Cemetery, West Palm Beach. Berry's Funeral Home was in charge of arrangements.
